Re: Transfer of Small Mining Operations, Firepit 1-4, S/053/034, Washington County, Utah

Dear Mr. Brown:

Thank you for your phone call this morning regarding submittal of the annual report for the Firepit 1-4 small mining operation. We still have this operation listed under Hank Gonzales. In checking our records, you submitted the annual report for 1994, stating that you were the new operator/owner of the claims. A transfer form was sent to you at that time, but to date, we have not received the completed transfer form.

Enclosed is another transfer form that Mr. Gonzales will need to sign as the current operator, then you sign as the new operator and have your signature notarized. Upon receiving the transfer form, we can officially transfer the mining permit from Mr. Gonzales to you.

Thank you for your help in this matter.

Sincerely,

Joelle Burns  
Minerals Secretary
